Access the Scienceconf platform

You must be connected to the Scienceconf platform to register for the conference.

- 1 If you have an account on one of the CCSD platforms: Sciencescall.org, Sciencesconf.org, HAL or Episciences, you don't need to create a new account.

You can access directly the Scienceconf platform and click on "Login". Fill in your login and password. Then, from the menu **My Registration**, fill in the registration form for the I.S. Rivers 2022 international conference.

The screenshot displays the user interface of the Scienceconf platform. At the top, the header includes the I.S. Rivers logo and the conference title: "4th INTERNATIONAL CONFERENCE Integrative sciences and sustainable development of rivers". The dates and location are listed as "4 - 8 JULY 2022 · LYON, FRANCE". Below the header, there is a navigation menu with options: "Home", "Registration", and "Abstract submission". The "MY SPACE" section is highlighted, showing two main areas: "My submissions" (with a sub-link for "Articles list") and "My registration" (with a sub-link for "Registration module"). The user's name, "Juliette Casanova", is visible in the top right corner.

2 If you don't have any account:

- Click on the link: <https://isrivers2022.sciencesconf.org>
- You will be able to create your account and register directly from the "Registration" page in the Navigation menu on the homepage.

The screenshot shows the homepage of the 4th International Conference on Integrative Sciences and Sustainable Development of Rivers. The header features the I.S. Rivers logo (Integrative Sciences Recherches et Actions) on the left, the conference title "4th INTERNATIONAL CONFERENCE" in the center, and the subtitle "Integrative sciences and sustainable development of rivers" below it. The dates and location "4 - 8 JULY 2022 · LYON, FRANCE" are displayed in a blue bar. A navigation menu on the left includes "Home", "Registration", and "Abstract submission". A "HELP" section contains a "@ Contact" link. The main content area is titled "I.S.RIVERS 2022" and contains a welcome message from GRAIE and ZABR, followed by the announcement that the conference will be face-to-face in Lyon from July 4 to 8, 2022. A link to the conference website (www.isrivers.org) is provided. The right sidebar, titled "ORGANISATORS", features the logo for Zone Atelier LTSER France Bassin du Rhône and a description of the Rhone Basin Long Term Environment Research project.

I.S.RIVERS 2022

After the success of I.S.Rivers previous editions, GRAIE and ZABR are pleased to announce the launch of the 4th edition of the conference.

I.S.Rivers will take place from July 4 to 8, 2022 in Lyon - in face-to-face (subject to new sanitary restrictions).

This international conference is dedicated to research and practices on natural and human-impacted large rivers, in particular how they work, changes and processes, interface and interactions, management policies, engineering.

ORGANISATORS

ZA Zone Atelier
LTSER FRANCE BASSIN DU RHÔNE

The Rhone Basin Long Term Environment Research (a scientific label of the CNRS) comprises Observatory and Experimental Sites. It is the support of research programmes that bring elements of knowledge to stakeholders and to public

- If the "Registration" page is not on the menu, you will need to create your account first, click on the link: <https://www.sciencesconf.org/user/createaccount> to create your account, then check your mailbox and click on the link to confirm the creation of your Sciencesconf account

The screenshot shows the 'Création de votre compte' page on Sciencesconf.org. The header includes the logo and 'gestion de conférences'. A navigation menu on the left lists 'Accueil', 'Présentation', 'Créer une nouvelle conférence', 'Documentation', and 'Consultation'. The main form area contains the following fields:

- Adresse mail ***: Tous les messages (confirmation d'inscription, confirmation de dépôt, demande de modification,...) seront envoyés à cette adresse mail. Input field.
- Identifiant ***: Identifiant de connexion sur la plate-forme Sciencesconf.org. Input field.
- Mot de passe ***: Entrer un mot de passe valide (alpha numérique de 7 à 20 caractères). Input field.
- Retaper votre mot de passe ***: La double saisie de mot de passe permet d'éviter les erreurs de frappe. Input field.

A 'Connexion' button is visible in the top right corner.

The screenshot shows an email confirmation from Sciencesconf.org. The header includes the logo and 'plateforme de gestion de conférences'. The email content is as follows:

Dear Juliette Casanova,
You have created a new account on Sciencesconf.org server(<https://www.sciencesconf.org/>).

In order to activate your new account and being able to be authenticated by the system, please click <http://www.sciencesconf.org/user/activate/token/7b915a7544c98b681ebcafa2959ecc6c083a14b4>

Best Regards,
Team Sciencesconf.org

- Finally, log on to the website: <https://isrivers2022.sciencesconf.org>.
- Then from the Registration > **My Registration** menu, complete the registration form for the I.S. Rivers 2022 International Conference.
